## **EVENT FORMAT**

This Event takes place via Zoom. It is a meeting, not a webinar, so you will be able to see exactly who attends the meeting. We continue to expect about 250-350 attendees, with about 150 of those being investors, VCs, CXOs, and founders. The presentation will be no longer than 4.5 minutes and 11 PowerPoint slides. There will be no Q&A, but there will be a breakout room session following the presentations.

## **REHEARSALS**

You'll be slotted for at least one pre-event rehearsal session. This is where a member of our prep team will be able to give you feedback on your "stage presence", delivery, and deck. You will also have one dry-run prior to the Event.

## **AVAILABLE PREP TEAM**

Time and schedules permitting, we will assign you to a member of our experienced prep team to work with you on your presentation and pitch, if you wish. Prep team members are insightful and have worked with many of presenting companies looking for capital. Prep team includes angels, experienced entrepreneurs, i-bankers, financial and accounting professionals, and lawyers in our ecosystem, all of whom have experience with raising angel and VC money.

## **PRESENTATION AND DISCOUNTED MEMBERSHIP FEE**

The presentation and membership fee to participate, which includes all of the above-mentioned benefits is \$2,000 (discounted from normal price of \$3000), pre-paid via credit card, PayPal, or Venmo.
